2022 FARMERS MARKET FOOD PERMIT **Application Instructions**

Anyone wishing to sell food at the **2022 Weymouth Farmers' Markets** must obtain a retail food permit from the Health Department unless they meet the following exemption:

- If you already hold a 2022 Weymouth Health Department Food Permit of any type.
- Selling only whole, uncut fresh fruits and vegetables, unprocessed honey, pure maple products or farm fresh eggs which are stored and maintained at 45 degrees F or less are sold.

If you do not meet the above exemption, please see the instructions below on completing the application.

1. Complete the Farmers' Market Food Permit Application in its entirety.
2. Include copies of Food Manager and Allergen Awareness Certificates (if applicable).
3. Include the Completed affidavit for Workers Compensation Insurance
4. If you have a policy, a copy of your Worker's Compensation declaration page must also be included (obtained from your insurance agent)
5. If you hold a food permit from another municipality, you **must** include a copy of your valid permit **AND** a copy of your most recent inspection report

Preparation and sale of Time Temperature Control for Safety Food (TCS): also known as potentially hazardous foods (PHFs), may only be conducted with written approval from us. A full list of sale items must be submitted with your sanitation process (hand-wash, ware-wash etc.)

Labeling of baked goods and prepackaged foods: Items may be displayed in bulk and do not require labeling but you must have a list of ingredients available on site. Items packaged in a licensed kitchen must be labeled in accordance with the Mass and Federal Food Codes. **Copies of labels must be included with the application.**

The annual permit is valid for both summer & winter markets. Please return the application as well as all support documentation to the Weymouth Health Department at 75 Middle Street, Weymouth MA 02189.

Sincerely,

Daniel McCormack, R.S., C.H.O.,
Director, Weymouth Health Department
