## Mei Mei Dumplings

**Farm-Focused. Woman-Owned:** Mei Mei is a dumpling business that strives to be a good company in every sense of the word. That's why they source their ingredients carefully and put the community at the center of everything they do. Find their dumplings at the Weymouth Farmers Market, farmer's market locations throughout MA and at their new dumpling factory & café in South Boston!

## SovicHouse

With love and dedication, SovicHouse crafts handmade accessories, spreading joy and positivity. Their journey has taken them to various platforms, including the Weymouth Farmers Market, where they have delighted visitors for the past month!

The mission at SovicHouse is to inspire and uplift with unique styles as skilled artisans meticulously craft every accessory with passion and care. They believe in the power of high quality and attention to detail, and are committed to creating a positive atmosphere where everyone feels welcomed and cherished - spreading positivity and magic one accessory at a time!

## Mozzy Munch

This is their first year at the Weymouth market and are very excited to be able to engage with the community! Mozzy Munch crafts their slowly dehydrated, single ingredient jerky treats for pups. Focusing on healthy, high reward options for bonding with your pet and positive reinforcement training. Kitties love them too!
